How to Make Snowflakes

Supplies:

- White or colored paper
- Crayons, markers, colored pencils, glitter or other craft supplies
- Scissors
- Hole punch
- Tape or string

Directions:

1. Fold the paper in half (left to right) and then in half again (bottom to top)
2. Then fold the paper twice again, forming a triangle.
3. Trim along the top edge so it is even.
4. Cut small shapes out of the paper using scissors and/or a hole punch.
5. When you are done cutting out the shapes, unfold the paper to see the snowflake you created.
6. If desired, you can decorate your snowflake with crayons, markers, colored pencils, glitter or other craft supplies.
7. Repeat these steps to create additional snowflakes.
8. Once complete, use tape and or string to hang up your snowflakes.
